# 1. Introduction

The first update of the modernAKIS video (D5.9) has been created and uploaded to the project's YouTube channel: https://www.youtube.com/watch?v=ROdoxolAgws.

This video highlights some of the modernAKIS key results achieved so far and available on akisconnect.eu.

Due to the file size, uploading it to the EU Funding & Tenders Portal under the continuous reporting section of the modernAKIS project was technically not feasible.
